### WELCOME WYOMISSING

This afternoon we cordially welcome Wyomissing to North Coventry High School. This is our fourth game of the current season, and the spirit of the players as well as the fans is very fine, especially, after overcoming our last season's fate of no victories by winning over Schwenksville, 12 to 0, last Saturday on their field. It was a hard fought contest by both teams up until the final whistle and we are sure today's game will prove to be the same.

The "Sunsets" of Wyomissing are one of the "Wildcats" favorite opponents because of the high standard of sportsmanship and friendly rivalry which the visitors have always put forth in each of the five previous games we have played with them.

The scores of these games for those interested are—1947 - N.C. 19, W. 0; 1948 - N.C. 14, W. 14; 1949 - N.C. 0, W. 27; 1950 - N.C. 21, W. 6; 1951 - N.C. 6, W. 42.

Last year's game at Wyomissing was a good one but ended with Norco bowing to Wyomissing 6 to 42. We think this may be the game in which to even matters as our boys are displaying excellent playing ability. However, no matter who wins the decision, we are confident both teams will have played a memorable game of football.

The last night game of the season will be played next week, Thursday, October 30th, when North Coventry will meet Spring City.

Thank you for your loyal support.

Joyce Richards, Class of '54
