MONTGOMERY
COUNTY COMMUNITY COLLEGE

DUAL ENROLLMENT

Earn College Credits in High School

MONTGOMERY
COUNTY COMMUNITY COLLEGE

DUAL ENROLLMENT AT MONTCO

Dual Enrollment (DE) allows high school students the opportunity to take college classes, earn credits from Montgomery County Community College and finish Montco Strong by earning an associate's degree through one of our program pathways. Classes are offered on campus, online and at select partner high schools.

Save BIG—on time and money! High school Dual Enrollment students can maximize college savings by taking 3 or 4-credit courses for the cost of one credit as they work toward their four-year degree. Compare Montco's tuition with the average tuition for Pennsylvania State schools—the savings are huge!

It is recommended that DE students reach out to the DE team if interested in working towards completion of a certificate, 2-year, or 4-year degree.

MONTCO'S DEGREE ACCELERATION PROGRAM

The Degree Acceleration Program (DAP) provides high school students with the opportunity to complete up to 30 credits of their associate's degree in their junior and senior years, completing their degree at Montco within a year of high school graduation, and accelerating their pathway to either a 4-year transfer or to enter the workforce. Contact our DE team to learn more!

GETTING STARTED

Visit mc3.edu/DE for instructions on application and registration.

The first step to becoming a Dual Enrollment student is to create your Montco account and complete your Dual Enrollment application at mc3.edu/deapp.

Once you receive your student ID, you can complete the appropriate registration form located at mc3.edu/DE. Parent or guardian authorization will be sent via email. Be sure to monitor your Montco (mc3.edu) inbox for updates to your registration. Once authorization is complete, you'll receive an email confirmation with information for billing and payment options (mc3.edu/pay) through your Montco email.

TUITION

Dual Enrollment courses will be billed at the one credit rate for each 3 or 4-credit course.

For the current tuition information visit mc3.edu/tuition.

FINISH MONTCO STRONG!

Upon graduation from high school, explore our program pathways. Dual Enrollment students can complete their degree at Montco and/or transfer to another college or university.

Our program-to-program agreements allow Montco graduates to transfer seamlessly to a four-year institution, often with junior status.

AFTER DUAL ENROLLMENT

Credits earned at Montco are highly transferrable.
