Elementary Schools: \$3.15

Free and Reduced Meal Applications

We encourage **ALL** families to submit a free and reduced-price meal application. It's quick, confidential, and helps support school funding. Apply online at www.schoolcafe.com or in person at your school office. The grace period for submitting applications has been extended to **October 8, 2025**. *Be sure to reapply before this deadline.*

Special Dietary Needs and Allergy/Medical Conditions

If your child has a food allergy or medical condition, please send a written doctor's note to the school nurse. For dietary substitutions, federal regulations require a written doctor's note. The nurse will forward this information to food service personnel, and it will be entered into our POS system to alert cashiers discreetly. For a special dietary menu, please contact the Director of Dining Services at (610) 469-5127.

Our Breakfast & Lunch Program

Breakfast: Students must take **at least 3 items**—and one must be a **fruit or veggie**—to get the full meal price.

Lunch: Students must choose **3 or more items** from our meal options, and one must be a **fruit or veggie**.

If a student doesn't meet these requirements, items will be charged **a la carte** (individually). This helps us serve meals that meet nutrition guidelines and keep things fair for everyone!

Account Payments and Policies

Payment Methods:

To keep our meal lines running smoothly and efficiently, we encourage families to use [SchoolPay](#), our secure online payment system, to add funds to student meal accounts.

Details on all available payment options, including any applicable fees, can be found on the [food service website](#) or by contacting the food service office.

PIN & Account Info

Every student gets a PIN for cafeteria purchases. Until it's memorized, they can simply give their name at checkout. Don't worry — their student photo helps us confirm the account.

Account balances roll over automatically each year, so there's no need to transfer funds!
