

East Coventry Elementary School  
Title I Family Engagement Plan 2024-2025

It is the policy of East Coventry Elementary Title I program to encourage active participation of parents and families of our students. This policy demonstrates that our school is committed to increasing, reinforcing, and fostering parent and family engagement by building a strong relationship between students, families, and our school members.

Family engagement plan:

- Develop an East Coventry Family Home/School Compact.
- Distribute Title I parent meeting invitation through Skylert with translation services.
- At Title I parent meeting, inform families of the Family Home/School Compact and their right to be involved. Encourage family members to provide feedback.
- During the Title I parent meeting, provide resources for families to assist and support their child's academic achievement.
- Provide newsletters and/or activities to keep families updated on current family engagement practices.
- Encourage family members to visit and volunteer in the classroom.
- Encourage family members to participate in several Title I and school events such as:
  - o Family Math and Literacy Night
  - o Read Across America week activities
  - o Summer Reading/Math Participation
  - o East Coventry Teacher/Community Read Alouds at the Spring City Library
  - o Spring Celebration Picnic
- Document family participation through sign in sheets or other appropriate ways throughout the school year.
- Title I staff will include family input when making decisions about how to best meet the needs of Title I students and their families.
- Involve families through an annual survey to improve Title I effectiveness.
- Educate all staff in the value of family engagement
- Inform family members that a school-parent compact was jointly developed
- Inform family members that all materials can be made available in other languages
